Emergency Form

Lake Anne Nursery Kindergarten has permission, when I cannot be reached, to take my child to the emergency room of a hospital. The hospital and its medical staff has my authorization to provide treatment which a physician deems necessary for the well-being of my child. In the event that I cannot be reached in an emergency, I understand that the judgment of the LANK staff will determine what actions, if any, should be taken to help my child.

On occasion, my child may be taken off LANK grounds, in order to participate in walks and fire drills. I understand that all safety precautions will be taken and hereby give my permission. I will not hold the school liable in case of accident.
